Dear Mr. Doswell:

On behalf of the World Trade Club of the Long Island Association, we would like to express our sincere thanks for your presentation on the activities of the CIA at our March 9th luncheon program. The program was very enlightening and informative to our membership.

We thought you would like a copy of the article which appeared in Newsday on March 10, 1982.

Again, thank you for joining us here on Long Island.

Sincerely,

John Messer
Program Chairman
